

## Pauline Ellen Terrill

May 9, 1929 - January 10, 2018

Pauline (Hedge) Terrill, age 88, passed away peacefully on January 10, 2018, surrounded by her loving family. Pauline was the adored family matriarch who instilled the importance of unconditional love and acceptance.

Pauline was born May 9, 1929 in Boone County, Indiana. She was the sixth of 10 children born to Paul and Effie Hedge. Pauline was raised in Boone County, Indiana and attended Whitestown High School. In 1950, Pauline married the love of her life, Winston L. Terrill, who loved her well and who loves her still. Together, they walked through the trials and triumphs of a life spent loving each other, raising their family and serving both family and friends. Pauline's most cherished roles were those of Mom and Grandma. She loved rocking babies and taking care of little ones. Pauline also loved sewing, painting, playing cards at the kitchen table, and hosting meals for family and friends in the summer kitchen. She was also a wonderful gardener and had quite the green thumb. She smiled and laughed as her children and grandchildren played baseball and kickball in the barnyard – her beloved Winston as the all-time pitcher. She also loved making food to share and she never missed an opportunity to pour a glass of tea or lemonade for anyone who happened to pass through her kitchen.

Pauline is survived by her husband, Winston, their children: Roger Terrill (Michelle), Marshall, AR; Randall (Kelly) Terrill, Niles, MI; Nancy (Cecil)

“ *When Rachel and Craig were dating, I went to Indianapolis to meet the family. Sweet Pauline made us a beautiful chicken dinner and served it in their Cabaret. I'll never forget Paulines gracious spirit. I see the amazing love my son in law has for his wonderful Grandma through service to her. Pauline will be missed terribly.*  
*Prayers and hugs of comfort to Paulines family and friends she left behind.*

*Pauline was a very special lady to all who knew her. She was so full of goodness & gentle love for her family & friends. Darrell & I were among the very fortunate that were blessed by her kindness and love. Winston, it was so evident how much love the 2 of you shared. You were an example to all of us who were lucky enough to be welcomed into your home & into your hearts. You both always made us feel like family & we were honored. I loved playing hymns on the organs for the 2 of you & lunch in the cabaret. I can only imagine the sadness you & your family are feeling at this time. We were in Florida & unable to be at the visitation. But all of you have been in our hearts & prayers. We will continue to pray for peace & solace for you & will come to visit shortly. Know that we loved Pauline (& you, too) and will miss her very much. Many blessings & love. Jenene & Darrell Hoyer*

*Condolences from the Quick family. My parents Norma and Charles were very good friends with the Terrill's and Hedges. Haven't seen any of you for many years. Remember Pauline very well. Baled hay for Winston back in the 60's. Our thoughts with you.*

“ *So many fond memories of playing board games, pony rides, hay loft forts, and hanging out with a great family as friends and neighbors! Blessings to all of you!*

“ *Our condolences to the Terrill family. It is said that the support and influence of grandparents and extended family has a huge positive influence on children. I would say that Pauline and Winston typify what is best about "family." People like Pauline change the world in quiet and impactful ways that will resonate through generations. Jerry and I did not interact much with her personally, but we certainly saw her influences in Terrills with which we were close. Kudos to a great lady and a family we are very glad to have had in our lives. Jerry and Arlene Samuelson*
