“ *Jerry we are saddened to learn of Peggy's passing. We knew she was fighting a battle, but she is now healed and no longer in pain. May God comfort you and your family during this difficult time. Our hearts are broken for you, and you are in our prayers. Our family still affectionately refers to your place as "The Farm".*

“ *My Aunt Peggy loved to tell stories especially about her grandchildren. She loved to laugh and I love how she laughed with her hand to her mouth! She is united with her mom and dad, my grandma and grandpa, who she called out for in her last days. Life has no guarantees, live life to the fullest, follow Christ, and don't have any regrets! May you Rest In Peace! You are healed of cancer and no longer in pain! I love you!*

“ So many fun memories of our childhood together. We had so many fun times with the 4 cousins going to Indianapolis with Grandma Dunn Christmas shopping. And then Grandma would forget she had some gifts and would start bringing them out as Christmas Day went on. Or anytime Mary Lou came from Michigan and we'd spend all our time together. Then when Peggy became an adult she always had a big smile. And she would tell you a story of something funny she had done!!! She was always laughing!!! Peggy you will definitely be missed by many. Our thoughts and prayers go out to Jerry and the family for the days and weeks ahead. 🙏💜💜 So sorry we can't be there with you and give all of you support through these hard times.
