

Dr. Philip S. Gibbs

April 20, 1943 - June 8, 2023

Dr. Philip Stone Gibbs, 80, passed away Thursday, June 8, 2023, at Witham Memorial Hospital in Lebanon, Indiana. He was born in Indianapolis, on April 20, 1943, the son of the late Aaron C. and Miriam S. (Stone) Gibbs.

On June 6, 1965, he was united in marriage to Cynthia A. (Matthews) Gibbs in Clayton, Indiana; she survives. They celebrated 58 years of marriage.

Phil was a 1961 graduate of Mooresville High School and a 1968 graduate of Indiana University School of Medicine. For his military service he practiced medicine at the National Institutes of Health in Bethesda, Maryland for two years. Returning to Indiana, he practiced and taught medicine for 37 years in the Anesthesiology /ICU Department at Indiana University Medical Center in Indianapolis. Phil was honored many times as an outstanding teacher. He saved many lives and taught many others how to save lives.

Phil was a devoted husband, father, and grandfather who loved his family dearly. He was a member of the First Presbyterian Church in Lebanon, the Indiana Society of Critical Medicine, and Civil War Medical Museum. He enjoyed history, especially military history, using the “big” tractor, his dog and having one cigar a day. However, his greatest joy was being with the family and teaching everyone something new he had learned.

Survivors include his wife, Cyndy Gibbs of Lebanon; daughter, Kelley I. Gibbs–Budd of Westfield; son, Matthew A. Gibbs (Chris Le Beau) of Chicago, Illinois; three grandchildren, Annaliese Budd, Aiden Budd, and Aaron Budd; brother, Dr. Thomas (Patty) Gibbs; and sister, Sarah (Bill) Brown.

In addition to his parents, he was preceded in death by a brother-in-law, Dr. Stephen A. Matthews.

Funeral Services are planned for 2:00 p.m., on Thursday, June 15, 2023, at Myers Mortuary, 1502 North Lebanon Street, in Lebanon, Indiana. Visitation will be held from 12:00 noon until the time of services. Private Interment will follow at Oak Hill Cemetery in Lebanon.

Memorials may be directed in his memory to the First Presbyterian Church, 128 East Main Street, Lebanon, Indiana 46052.

“ Dr. Gibbs was unforgettable. I worked with home more than 20 years ago as a medical student and then as an anesthesia resident. He was kind, smart and forever pleasant in an often unpleasant environment. What a positive contribution he made to the world. Cheers to you, my friend.

“ I always enjoyed our visits with Phil and Cindy. He is among the 5 most interesting people I have ever met. He had a deep knowledge of many subjects, and you could chat for hours and still want to keep listening and sharing. We'll miss him.

“ We are praying for you all. I will never forget the man who first opened the eyes of my heart to the world of opera. Phil sent me my first VHS tape of an opera in the mail because he just wanted me to have it. I'll remember his kindness and his humor, his way. Joshua remembers different things, of course, but we are both feeling a little pit in our stomachs that we know cannot compare to yours. All of our love, Joshua and Tracey Owen-Hesselgrave. ❤️

“ Dr. Gibbs was my medical school advisor and a big influence on my career. I remember him as one of the kindest and smartest people that encountered during my medical training. I'll never forget the July 4th fireworks parties he hosted for all the residents and families. A very generous gift.

“ I graduated from IU School of Medicine in 1970. After spending time with Ray DeFalque at the VA, I knew that Anesthesiology was what I wanted to practice. From 1970-1973, I had the honor of being an Anesthesia Resident under the Chairman VK Stoelting. Phil was a wonderful teacher, a delightful anesthesiologist, a caring physician to his patients and a gifted member of the program. His laughter was very special. He will be greatly missed by family, friends, and associates.

My sympathy to all for his loss,

“ I worked as respiratory therapist at the VA hospital back in 1985-ish and worked with Dr Gibbs. I looked forward to him rounding the SICU back then. Always came in with a smile and a great joke! (such a jokester) He was also a wealth of knowledge that he loved to share. I often thought about him over the years because he made such an impression on me and everyone around him. May his memory be eternal ! Condolences to the family , Doris Bagios Segar

“ Dr. Gibbs always brought some levity to our early morning grand rounds with military history or medical jokes. His bright cheerful attitude was a mainstay even in the cold wintery mornings. His dedication to education is an inspiration to us all.
