“ I have known Raynetta for many many years
I also went to school with her sister also
She always had time to talk to people while working at McDonald's
Raynetta would sent me pictures of cabin's and Christmas stuff and especially this last Xmas season
If I could take a vacation I would strongly considering take her with me
I will MISS her dearly
I am wanting to text her now knowing I cannot
I wish someone would tell me what happened bc I am hearing to different stories
In fact Raynetta was the last girl I kissed about a year and half years ago
I miss her already and always will miss her
RIP I LOVE HER TO
