“ Becky, you are missed tremendously already. You were such a loving person and helped others even if it meant you would have to do without. You were my second mom, and shared so many special moments in my life. I am so grateful you were a part of my life the last 35 years. My heart hurts knowing you are now gone, but I will always cherish our memories, and I will always love you. This is not goodbye...it's I'll see you later.

I remember her as a fun loving teenager. Kind of rotten ornery but that is a good thing.

Vicki, I am sorry for your loss.
