“ *I was only fortunate enough to meet this gentleman once and he was a hoot. He seemed a strong matriarch for his children and family .*

May he Rest In Peace with his beloved wife.

“ *What a nice quiet gentle man Bob was. He was a hard working man. I recently lost my brother so I know the hole that is left with Chuck and Roberta. He was always with Chuck when he came to our house. It should give you peace that he is with his beloved wife in heaven. I'm sure my Steve will take good care of them until we are all together again. Much love to you.*
