“ *Thinking of you and your family during this difficult time. We remember the great times we had, laughing, playing jokes, and bowling. Coaching you and your brother was special to us and those memories will be cherished in our hearts forever. God has been given an angel and Bobby will look over and after his family until they meet again. God bless you and all who had the pleasure to be a part of your life.*

“ Sharon, Jenni and family; I wish there was something to say to ease you pain. I never got to meet your son but Sharon talked about all her grandkids. Remember the good times and all the nice and funny things Bobby did. Now he has moved on to be Sharon's mom his great grandmother. She will take real good care of him along with God's help. May God be with all of you in this time of need. If anyone needs anything Sharon has my phone number. I will glad and honored to do anything. Love to all Old Kroger employee

“ *Bobby the times we spent growing up as uncle and nephew will never be forgotten. The days as we were children walking in the creek banks during winter looking for crawl dads, or jumping off the back of your friends house into their pool pushing the limits as we always did growing up. The day i decided to Pierce your ear and your mom on the phone with me yelling at me for doing it. The long nights always staying up late playing call of duty or some other game. Aubreigh and the boys will never forget you as you were their cousin and i hope you watch over them when they get older and start to play sports that maybe they will be as good as their cousin bobby. I love you and i will never forget the great memories we shared being family. I will always cherish each day of our lives that we had together. Love always and forever your uncle justin kloepfer.*

“ I remember how we played on my clubhouse when we use to live in Frankfort, Indiana. We had a blast out of all the birthday parties we had. We even had fun with the scooter that we had even though in the end all of us wound up destroying it.

As years went by, we slowly drifted apart from all the kid stuff but in some common ground we still would play through online gaming. You taught your uncle a few things he didn't know about on games and I wish we could have had more time together because we were one of the best especially when it came to all the Call of Duty games.

I would be the one drawing the fire while you would be at a blind spot and finish the enemy if they got me. Or if we faced off against each other, even though I had the layout of the map I could never win against you.

I'll miss those times we had together but I will always carry on the memories I have of you forever.

With all of my Love Your Wacky Uncle Kevin

“ Oh how my heart breaks for this family!!! Bobby was one crazy boy especially back in the day when him and my son Christopher would be up to no good (: I will never forget the day we were all walking down to the park from old farm and Chris and Bobby wanted to pull the twins in the wagon and actually hooked it up to there bikes and dumped one of the boys!!! The good Ole days for sure!!! What a gorgeous young man he had become. So grown up. I just got a huge hug from him at the Hendricks County Fair and a great conversation with him. I will cherish that hug forever. We love you and will miss you always!!! Now you go fly high with the angels and know u will never be forgotten! !! RIP 💖💖💖💖💖💖💖
