“ When Robert worked in the Boone County courthouse, he greeted everyone with a smile. He took his work seriously, and was very efficient. I was Center Township Assessor at the time. All who worked in the courthouse appreciated Robert's friendship. It was my great honor to nominate him for the commission of Kentucky Colonel. At the same time, I nominated Judge Steve David for Kentucky Colonel. After I received the certificates signed by the Governor of Kentucky, I privately presented them to both gentlemen in the courthouse. Both appreciated the commission, due to their connection to Murray, Kentucky. It was an honor to consider both men my good friends. Rest in peace, my friend. God bless the family.
