“ I did not know Ron Cherry, but I felt as if I did because I work right next to his son Greg. Greg makes us all laugh daily and will sometimes share stories with us about his family and the silly things that his family does!

There is one story in particular that comes to mind that still makes me laugh about his dad Ron. As Greg tell it, Ron got up one morning, put his pants on and went outside. Then came back in and said to his wife, "Honey - I can't find my keys, I thought I had them in my pocket." His wife (Janice) just looked at him and shook her head. Then she politely said, "Ron - That's probably because you got your pants on backwards!"

Anyway, if you know Greg (and his lovely wife Mary), you'll know that Cherry family is a fun loving and happy family. So I can only imagine that a lot that came from his Dad!

Please know you are all in our thoughts and prayers and that we extend our most heartfelt sympathy to you and your family!
