“ *I was saddened and surprised to hear of Shane's passing. I went to school with Shane (starting in the first grade at Riley). She was always one of my favorite people. She had a kind heart at a very young age - a testament to her family. Even though I hadn't spoken to Shane for decades, it was apparent her heart continued to grow. When she was likely very ill, she was still quick to express kind thoughts to me and my family during our time of need. My prayer is that her love will live on in her children and with her husband and family. Until we meet again in heaven, you will be missed.*

“ *We remember Shane and her love for Christ and family. My wife Deb is glad of her friendship with Shane; We are reflecting on memories of Visiting Shane at St V, at the Gohal family home, and of even the Festival of Turning Leaves in our yard. Deb was glad for all the time she had to talk to Shane. Our prayers are with Deepak, Priya, Ambi, Shirley, and Shane's sisters during this time of loss.*

“ I knew Shane from Dr. Harty's office in Greenwood. We moved to TX and then back to Indiana and I re-connected with her in Lebanon. She was a very sweet person and truly cared about other people and shared her faith with no apology. You will be missed here on earth but we know you are enjoying time with our Savior!

“ Dear Deepak and Children,

We were so shocked when we heard that Shane passed away. You have all been in our thoughts and prayers throughout Shane's illness. We are remiss at not be there with you and seeing all of you more often. Shane was always thoughtful and kind, always smiling each time we met. We hope you will take strength in knowing that so many people love you and the children and also loved Shane.

“ *Shane - one of the kindest women I have known. Her smile easily and often given, whenever I saw her. She was humble and generous. She made my girls feel welcome and safe in her beautiful home. During a difficult time in my life, she gave me a bouquet of pussy willows from her yard, knowing how I loved them. I feel her loss for the girls and for Deepak very keenly. I am grateful for her friendship and every sweet memory I have of time with her.*

“ *I would be remiss if I didn't share my fondest memories of this lovely, selfless, kind lady. Shane Gohal was a ray of sunshine, even in the midst of her own darkness. Her unwavering hope, strength and faith were inspiring to us all. I will always treasure those awakening conversations that reminded me that I am just a part of a bigger picture, and I have a part in it to play. In honor of my dear friend, I will be the ray of sunshine to others, as she so often was to me! Shane, my dear, you will be missed!*

“ We have been praying for Shane for months and will continue praying for Deepak, Priya and Ambika as they grieve. Shane was one of the kindest, sweetest women I've known. I very much enjoyed our talks about homeschooling, life with our girls, ballet, and our relationships with Christ. She was a dear lady, who is now in the presence of her Lord. Much love to the family.
