“ Dear Chris and Carleton:

I was so sorry to see in the newspaper that your Mom had passed away and just wanted to convey my condolences. During high school when Chris and I were good friends, I spent happy times at your house and have very fond memories of those times. Your mom was such a warm, sweet person and so welcoming and always smiling. I can only imagine how much you'll miss her. Just know that everyone who ever knew her will mourn her passing. Will keep you and your family in my thoughts and prayers.
