“ *Please accept my deepest sympathy to the family of Rosemay. I worked with Rosemary at The Boone County State Bank for 15 years. I enjoyed her humor and her cacti garden she kept on the window sill in her office.*

“ *I have childhood memories of the yearly or bi-yearly family trips from Kansas to Indiana to visit Mom's family. One of the highlights of that trip was the time we spent at Aunt Rosemary's house. Even though we never lived physically close to her to share day to day life, she found a way to let me know that she thought of me. Maybe Kathy helped her with this? She would put little gifts in a box to give to me when I got there, Avon or Mary Kay samples, small trinkets such as key chains from the bank, and chiclits gum. A simple gesture to welcome us to her home. I see Kathy continuing this tradition with her neice and nephew, and my Mom does it also. I always enjoyed my time there, touring the yard with all the flowers and the cactus garden. Much love to Kathy, my Mom and Dad, Steve, Angie and kids, Carol, Roger, and Howard and Carrie Ann. Love, Karen Roberts*
