“ *We are so sorry to read of the loss of Sally and Gene Neese. When we lived in Lebanon they were very supportive of Saul and me. We shared many wonderful meals with them from Sally's talented hands. Even though we have not lived there for a while, when we think of our friends in Lebanon, terrific memories of our friendship with the Neese family always come to mind. God bless the family and we pray that you feel God's love during this sad time.*

*Warmest Regards, Saul and Karen Richman*
