“ *A Life Lived*

*As the decades marched past;  
In a parade of years equaling  
Three lifetimes plus six  
Leaving confetti strewn pavements  
With names, faces, smiles and wishes  
Of happiness in a life lived  
With nostalgia a constant companion  
Now five tens and a single digit on  
It seems less clear the destination  
Looking back at the beginning from the end  
I find on the path a sign that reads:  
"Ms Sandra K 'Sandy' Bailey passed away"  
And the fine print filled in a life lived  
With children, grandchildren, dreams  
And accomplishments that give substance  
To our breath.*
