“Oh my goodness💔 I am so sorry for your loss Pam, Tammy, Ty and Debbie. She was such an important person to me in my middle school and early high school years. I don't imagine she knew how many times I drove over with everything I owned in the trunk of my car. I so much wanted to be apart of that beautiful family and her loving spirit. She deeply touched my life in ways she didn't even know! She was always kind, loving and showed me attention. My thoughts and prayers are with all of you as you go through this journey. Ken, stay strong and you touched my life every bit as much as she did. I truly love you all very much. Rest in peace, mama Sandy.
