Sarah was a sweet loving young girl. It was my pleasure to care for her. Always had a smile on her face and a hug for me. I know she'll be greatly missed.

“ Sarah was a patient of ours since she was a baby . I loved watching her develop , learning so many things that some doctors didn't think was possible. She was very independent , sassy yet loving. Always looked forward to her visits . She would show us pictures of her special Olympic events. Sarah also loved to have her hair done and her fingernails painted to match her trendy clothes . She stole everyone's heart that she encountered . Sue did such a great job raising Sarah and the love between them was priceless . She will be greatly missed 😞 Prayers for her family 🙏
