“ I just saw this and was saddened to hear this news. I got to know Sammy from the bank when he first moved here when American Ultraviolet opened their doors. Then through the years, I got to visit with her and Cheryl when he would come to Witham. I always enjoyed Sammy and his wife. My thoughts and prayers to you all. He was always so kind and also gave us some laughs along the way too. His wife did an awesome job helping him in his later years, she was by his side every step of the way. My prayers to you all.
