“ So sorry to hear about Sharon, sincere condolences to her family. We were classmates and she always kept me updated about other classmates when I would run into her at Goodwill on Senior Wed.'s, which was pretty much every Wed. She will be missed.

“ Dear Ada and Family, I’m so sorry for your loss. I lived across the street from Sharon and she was truly a lovely person. She liked to sit in her truck and watch the wind blow the leaves on my White Poplar Ash Tree that I planted behind my house 22 years ago. I took a video of the wind blowing the leaves on 11/13/21 when I was thinking of her and we couldn’t reach her. I’m posting that video here but I’m not sure if it will go through. I would like to give a sapling from that tree in her memory to your family farm if that is possible. May she Rest In Peace, she will truly be missed and forever in our hearts.
