“ I am so sorry to hear of Sharon's passing. I worked with Sharon for several years at the Lebanon Kroger store. We had many stories and laughs while working together. I would see her occasionally out and about but had not seen her for a good while. I will try to make it to her calling but if I don't just know that I thought a lot of her and I will be thinking of you and your family during this difficult time. Keeping you in my prayers. Karen

I am so very sorry for your loss, I have known Sharon for many years. (Since you two kids were very young). I had not seen her for many years, the last time I saw she was in Kroger shopping. RIP Sharon. There were many family members there to meet her at heaven's door. Candy Hale

So sorry for your loss. I really liked Sharen. She would always take to me when I seen her out and about. I remember when my kids were younger we would always go to the park for the 4th of July . I never heard her say anything bad about anyone. She was a good lady. Hugs for the family.
