

Shirley J. Sallee

August 23, 1946 - September 6, 2021

Shirley Jane (Hobart) Sallee passed away peacefully at home on September 6, 2021, following a battle with lung cancer. She was surrounded by her family.

She leaves behind her sister, three sons (and daughters-in-law), nine grandchildren and many nieces and nephews.

Respecting her wishes, there will not be a viewing. Family will have a small, private remembrance for her at the grave site as she is reunited with her husband.

Myers Mortuary and Boone County Crematory are handling her arrangements.

“ Sending you all big hugs! She will be missed so much. Loved going to Aunt Shirley's house knowing that it would be all decked out in Christmas decor even down to the bathroom decor. Hearing that her Christmas tree that she has had up forever also stopped working in these past days...only makes sense. She was so much fun to be around...I will miss her so much especially on my visits to Lebanon. I am happy that she no longer is in pain and has reunited with uncle Larry, her mom, and her dad.
