“ Mom was great to her four kids she was disciplined in raising us always made sure we had a nice birthday party or Xmas. She made me laugh a lot and loved having her grandkids over. We feel blessed having all these years with Mom after Dad at such an early age. In

I feel so blessed to have had her as my Mom. Growing up we didn't have much but we had each other. She kept us on path to be responsible adults. She always loved family events and was always jovial and fun to be around. The times she was in the hospital she was a little cranky at times, but always won over the nurses with her humor. RIP Mom.

Mom was a strong woman who survived many trials in her life and overcame them. She loved life and was a cut up. She enjoyed going to her class reunions and celebrating everyone's birthdays and working in her garden and flower beds. I feel blessed to have been able to help my sister care for her. She gave her life to Jesus in 2013 at the age of 83! Her prayer at life's end was to be at her home and in her warm bed. She left peacefully and I thank GOD for that!
