“ *A wonderful lady to have known and worked with at AT&T. She had a wit about her that made you want to do your best. She is now an angel watching over all. Peace be with you and your family.*

“ I am sorry I did not make it to the funeral today, was not able to take off work, but Stacey and your family have been on my mind and in all of our hearts. Stacey is a generous soul and we shared many wonderful memories from the times all of you would visit in Mt. Vernon when we were kids into our adult lives. Stacey helped Kelly and I move into our new home at a difficult time in our lives and she visited many times. She was wonderful to mom and it was her generosity and caretaking that was a big part in allowing our mom to stay home when she was dying. She made that drive to Mt. Vernon from Indiana countless times to take care of mom and visit Suzan. She was a cherished cousin and niece and a true witness to her faith! We will miss her and we love you all!

PS: We would love to see any of the Griffith's in St. Louis and have plenty of room.

These pictures were on top of the first picture box I pulled out this morning,

“ *Those we live don't go away, they walk beside us every day. Unseen, unheard but always near. Still loved. Still missed and very dear..*

I met Stacey when we worked at AT&T. She was such a sweet person. My prayers are with her all of her friends and family during this difficult time. Be Blessed.

“ *I worked with Stacey at AT&T and never knew a more devout Catholic than she was. She was a very competitive gamer when we had a work party and was serious in her game. She was a wonderful confidant and was full of empathy whenever you spoke with her and she would hold your secrets to her heart. She was tough, a survivor and passionate about right and wrong. How blessed I was that she touched my life.*

“ *Stacey was a great friend and inspiration. She knew how to bring out the best in people and had a "can do" attitude. Her life fit the quote "Some look at things that are, and ask why. I dream of things that never were and ask why not?"*

“ i
In all of my 47 years, I have never met a kinder, gentler soul. My life is better because you were in it. IF I can manage to be quiet enough, I have been told we can still hold our debates and discussions. Oh how I hope that is true. Fly high Stacey. Watch over all of us strays. We still need your guidance.
