“ *Steve and I also wrote a play in high school. We spent many hours laughing and not a lot working on it, but I'll never forget those good times. Steve has been a friend for over 60 years but only recently in the past two years, have we talked weekly about anything and everything. He will be missed as he was greatly respected by all of us at Manual High School and beyond. Oh and we had a few awkward dates such as going to see Anastasia, and I discovered I still had on my house slippers. Good laughs later.*

“ *My personal and most sincere condolences go to Steve's family. Steve was a special friend to me in high school, college and many years after. We produced a musical comedy play in high school and travelled west for I. U. 's only Rose Bowl game...and in a wedding together(as my best man)...all great memories of a great friendship...he will be missed.*

“ *Sun Lakes misses Steve's caring attitude around the condo community. He was helpful in keeping the place looking good. He always had a joke to tell when you saw him working on the grounds out front. Will miss his sense of humor and smiling face. A Sun Lakes resident--Art Sterne*
