“ IN MEMORY OF STEPHEN FREDERICK TODD
9/10/1975 – 12/28/2002

*Steve was a gentle man; kind, compassionate, and caring.
At first meeting you wouldn't think of him as a policeman
Because he didn't fit the image of being mean, tough, or bullish.
But he could be if needed.
He took swat and negotiating training so he'd be prepared to help
no matter what .
Yet he ended up working at an elementary school where the kids,
parents and
teachers alike looked up to him.
Not just because he was tall and formidable, but because he had a
kind heart.
He would sit down with the little ones, get to know the staff.
When he became ill, many were willing to help.
They wanted him to have the chance to again be the man he
deserved to be.
He was taken too soon. Yet he left with the respect and love of
many.
He was more than a policeman; he was a son, a brother, a nephew,
a grandson.
But most of all he was a loving husband and father.
He cared deeply for those in his life because he was grateful and
kind.
Yes, he was taken too soon, but he left his mark.
He will be remembered by many for all that he was and could have
been.
He will be with us in spirit and memories until we meet again!
Good bye brave one. It was an honor to know you!*

“ I am so sorry to hear of Deputy Todd's passing. He was such a special part of Stonegate Elementary and made my twins' feel so much more comfortable just by his kindness and friendliness. We walk to school and we would see him outside every morning-rain or shine and he knew all the students by name. He was very special to so many! 💕

“ My bible study group had been praying for Steve and his family, long before we met him. I got the opportunity to meet him through his physical therapy and there was not a more determined, optimistic and kind human being than Steve was. He fought the good fight and was so proud that his wife found a place for him to go and get treatments for his cancer, he gave it all he had, but for reasons unknown to us, Jesus decided he needed him in Heaven at an early age. He always talked about his kids and family, he loved you all so much. It was a great privilege to Christmas Carol to him and his family to try and bring them some cheer and to pray with you all when he became more home bound. Our prayers to Melissa and the boys and his parents and all family and friends. Heaven certainly gained a good angel in Steve and I know he will be watching over you all from above.
