“ I will ALWAYS miss my Grandpa Steve but I will forever remember our memories together. He has seen me go through so much in my 12/13 years of life. He came into my life when I was only 3 years old, he watched me go through all of these crazy stages in life. He loved how I had such a preference in music, he was tickled when I told him that all I wanted was a record player for Christmas. He used to sit out on our back deck every Sunday during the summer to watch Alexis and I play, while jamming out to my favorite music, Tom Petty.
