I truly can't believe you're gone, I miss you so much already! I feel for you girls and grandkids, I know they were your world! I just don't understand, but I guess I'm not supposed to, I am just thankful that I got to meet and get to know you! The world sure did lose a great man, father, grandfather, friend and just all around cool person! Rest easy babe and know that you'll forever be thought of and missed! My prayers are with your beautiful children and grandchildren, I know they're hurting, I just hope they know you'll always be with them, you wouldn't have it any other way! Miss you always
