“ I was part of Steve’s class at LHS and truly enjoyed the times with him. He was bright, curious, and a deep thinker with all that was unfolding in that period. He had a lightening quick wit, loved to laugh, and made so many laugh with his quirky sense of humor. He loved music. Steve was passionate about track, running fast and with the proper attitude, as well as teaching the ropes of sprinting to me. I am grateful to have shared those amazing years with Steve.

“ I graduated with Steve in 1969 from LHS and remember his kind demeanor. He was always very kind and friendly. I am saddened at the loss of yet another of our classmates as they are all very special to the rest of us. We will remember him this year when we gather together for our 55th. He will be missed.

“ I was Steve’s history teacher for a time at Lebanon. I remember him as a great student who would often come to me “Miss Lu” for advice. So sorry he is gone. Such a fine man.

“ Steve and I were classmates in High School as well as roommates for a while in College. He was one of the brightest people I have known with one of the biggest hearts and he loved to laugh!
