

Sue A. Marsh

October 29, 1944 - March 2, 2025

Sue Anne Marsh of Lebanon, IN passed away peacefully on March 2, 2025 surrounded by her loving family after a brief illness. She was born on October 29, 1944 in Lafayette, IN to Donald & Virginia Hobart.

A graduate of Lebanon High School, Sue lived in Mansfield, OH for over 20 years where she was a homemaker to 4 children. She relocated back to her hometown of Lebanon, IN in the late nineties where she worked as a Human Resources Administrative Assistant for 20 years with Prairie Industries.

Throughout her life she always loved a good craft project: sewing, knitting, painting, needlepoint... you name it, she'd give it a try and always had fun! She loved going to Summer and Fall festivals, watching old reruns of the TV show "Friends" (she could quote almost all the lines), and never turned down a game of marbles or a good card game: Contract Bridge, Euchre, Gin Rummy, or even just Crazy Eights, she played them all. Her loved ones are quite certain she's now sitting at Heaven's Great Card Table with those who proceeded her in death: Mother and Father, Sister Shirley Sallee, and Brother-in-law Larry Sallee.

Survivors are as follows: Larry Linton, her loving partner of 25 years from Lebanon, IN; Children: Devin (Sara) Marsh of Columbus, OH; David (Lori) Marsh of Mansfield, OH; Julie Marsh of Mansfield; and Jennifer (Spencer) Bay

of Mansfield; Grandchildren: Jacob (Ashley) Marsh; Allison (Sloan) Bowman; Sunshine Kahl; Regan Freiheit; and Rory Kahl, all of Mansfield; Many cousins, friends and acquaintances across Ohio and Indiana, all too numerous to mention.

A Celebration of life will be held at 1:00 p.m. on Thursday, March 13, 2025, at Greenlawn Cemetery, 496 West County Road 200 South, in Frankfort, Indiana. Visitation from 11:00 a.m. until the time of service. Myers Mortuary and Boone County crematory have been entrusted with her cremation arrangements.

The family requests that any memorial contributions be made to St. Jude Children's Research Hospital on their website at <https://www.stjude.org> or by calling them at (800) 805-5856.

“ Sue and I moved onto Yorktown Drive the same year and raised our families together. Yorktown Drive was a great place for families - safe yet fun. We did many things together such as shopping and card playing. We traded recipes - all the things that neighbors do. I first learned Hand and Foot when her mom would come to visit and we'd spend days sitting at her table dealing cards. Our kids were each other's besties. I am grateful we stayed in touch after she moved back to Indiana and I will miss her greatly.

“ So many memories but when I think of my childhood, I think of how lucky I was to have my mom there when I left for school and when I came home. We always had home cooked meals. As an early teenager, we talked mom into taking us to concerts. She would drop us off and her and a friends mom would go drink coffee somewhere for a few hours. I loved that! For 20 years I had a job an hour away, we would talk several times a week for an hour. I will miss talking to her as she was my biggest support person. Love you mom!

Sue was my first cousin! I have so many fond memories with her. Sue always had such a fun and happy personality. I remember as a kid loving her and Shirley's bedroom upstairs in Aunt Ginny's home. It was always fun hanging out up there with cousins as kids. Also our many family get togethers were so much fun. Reunions were very popular when we were growing up. Besides that Sue was a wonderful and loving mother and grandmother to her 4 children and all their children. I will miss her very much! RIP Cousin! Love you lots! ❤️🙏❤️🙏❤️🙏❤️🙏

“ When Dave and I first got married, I invited my mom and mom marsh over to my house to play cards. Hand and foot. We did an all nighter and played until 5:00 in the morning then I took them both to Denny's for breakfast. We laughed and laughed all night long and we were all delirious by the time we ate breakfast. Both moms said for years remember the time we stayed up all night playing cards and we would giggle. Mom marsh was such an important person to me. I miss her terribly. Love you always mom❤️

“ I bought a 300 dollar beat up truck when I was 16. My mom went with me to pick it up. The truck was a standard shift. I think she was as excited as I was about it. She taught me how to drive it on the way home. It was a good day. I miss her already. Love you Mom.

“ *I was one of the many kids that grew up under her wing back in the old neighborhood. In and out of the house running around in the dark playing flashlight tag with the rest of the kids down on Yorktown Drive. Always made me feel like I was something special with her welcoming smile. . Rest easy Mrs. Marsh and thank you for all the years!*
