“ We will never forget Sue’s warm embrace as we moved next door several years ago. Sue was the kind of neighbor who made you feel like family. She always greeted us with a warm smile, kind words, and always wanted to know what was going on in our lives.

As soon as we moved in she always said, come over anytime, just come up to the back door. And as soon as we did, she always said come on in, sit down, make yourself comfortable. We loved the conversations we had on the couch & cherish the time spent with such a faith driven and positive woman.

We will miss her, but will always remember her steadfast faith and love for her family and friends. We know she is in the arms of the same God she faithfully served.

Praying for you all Wallace Family!
