“ I haven't known Teena very long, as the first time I met her and Eric was at Brittany's 30th birthday dinner in January, 2015. However, during the time she was in my life, I'll always remember her as being a bingo lover (although, neither of us won anything the only time we played together - Brittany stole the show), a loving "Mamaw" to all of her grandchildren (even sporting her purple "Mamaw" sweatshirt when Mackenzie was born) and a supportive mother to her daughters. I feel so privileged to have known Teena for the time that I was given and I am so deeply sorry for the family's loss and pray for your healing.

I'd like to correct myself - "Nana," not "Mamaw."

“ *Teens was a friend to all, she loved to laugh and have a good time. I first met Teena when we worked together at Burger Chef during high school. She invited me to church and we became good friends. We shared many good times together as teenagers and then lost touch after we got married. I will never forget her winsome personality and love for life. My heart and prayers go out to her husband, children, grandchildren, sister Cheryl, and mom, Mrs. Page.*

“ *With this Memorial Weekend, I would like to share another Memorial Weekend and Race Day. We gathered at Loieta's home to have a cookout, listen to the race and enjoy the day. I was so excited, with anticipation of charcoal grilled hamburger and the wonderful smell of those hamburgers cooking. I got my plate, sat down, then I heard a "plop", (what was that?) then I looked down at my plate ready to eat my hamburger. But what do my wondering eyes see? A bird had pooped and it landed right in the middle of my plate. I was absolutely dumbfounded. But I do remember everyone joyfully laughing at this once in a lifetime moment of folly with Teena, Cheryl and their children. So many great moments with joyful laughing were spent with the Page family. May God Bless*

“Wow, all the thoughts about when we were younger going to the maple festival, going bowling one evening, while a surprise birthday party was being pulled together at home, I believe we went and played pool and rode around on bicycles in Plainfield. Lots of fun times. So sorry to hear my sympathy to Cheryl, Loieta, Fran and family.

“ I'm extremely saddened by the news of Teena. We were in the same graduating class from PHS 1981. We were good friends through grade school (slumber parties, playground pals, football cheerleaders (The Packers!), softball, etc.). We had different crowds of friends in high school, but remained friends through shared classes and great times of being in band together. We chatted here & there through Facebook over the last few years, which I'm grateful for. I saw what a tremendous woman, mother, grandmother & friend she became to everyone. I'm sending endless prayers for comfort & peace to all of her family & friends. God bless you all.

“ I have so many memories of one of my best friends, so may have to do this multiple times. Tee & I played softball together for so many years. I remember Tee rounding 3rd on her way to home. She was chewing bubble gum & was blowing the biggest bubble just before she crossed home plate!! My dad yelled, "Way to go, Bubbles!!" That was her nickname for quite some time! ~Sheri Smith Jewell
