“ What a nice person, Teresa did our taxes for several years and always did a wonderful job. Her brightness as Clips the Clown brought much joy to kids for years in Boone County, especially at the County Fair. May you rest in the arms of Jesus now and forever more. Raymond Snoke

“ Teresa and I were long time Girl Scout volunteers. She was much respected by her Scouting family. She loved sharing her clown talents and balloon animal skills with many at the county fair, Girl Scout camping and cooky rally ,and other community events. Her smiling face and laughter will be remembered by many in this community. Prayers are overflowing to the family.

“ We are heartbroken to hear of Teresa's passing. We met her over 30 years ago at the public library where she offered her tax services and has taken care of our family since. How lucky are we to have known such a beautiful soul that quietly helped so many in our community. She was truly a hometown héro and will be missed dearly. Our sincere condolences to her family and all who loved her. 🕊️
