Tom was the best brother a sister could ever ask for, he continually had my back over all these years, whatever I needed him for he always rose up to the occasion, if it was driving to Asheville NC or Tulsa OK to drive me and my Ryder truck back to Indiana or i just needed my yard mowed he was always there for me, if I needed a shoulder to cry on or some one to pray with me I could always count on Tom.
Of course as siblings we did have our differences but we always made up, we both were always there for each other,
I was alone with him those last few hours until his last breath, but there was a Heavenly presence in the room with us and a spirit of peace was in the room and on me, I know Tom took his last breath here and his first breath in heaven with our Lord & Savior along with a lot of family members waiting to welcome & rejoice with him for coming home to the feast in heaven.
I will miss him everyday for the rest of my days until it's my time to see him & my Mom in a reunion in heaven ❤️ I love you Bubby ❤️
