“ *Tom's death was indeed a shock and he will be missed by many. He was my son's childhood friend (Travis Clark) and had traveled to Arkansas with us and played the piano and my daughter's wedding. He was always welcome and such a joy to be around. My husband and I loved running into him & chatting. The Lord called home a good man. Maggie Holzinger*

“ I am shocked and saddened to hear of Tom's passing. I was his roommate for 3 years on Calvert St. at Ball State. I considered him a great friend and unfortunately over the years we lost touch which I now deeply regret. He was a fun and great guy. My thoughts and prayers are with Tom and his family.

“ My family did not personally know Tom, but he was our server at Bob Evans a couple of times. My husband noticed the obituary in the paper and we were both saddened to hear of his passing. He was very pleasant and always had a story to share with us and was very funny.. Prayers to his family.

“ Closing shift with Tom was always my favorite. I'm going to miss playing battlefield with you and having you call me "Tylord Greenleaf". You always brought smiles to people's faces and helped me whenever I needed it. So here's to next time buddy. Fly high my man

“ *I can remember Tom helping us get everything set up during the time he was in the Western Boone Band Boosters. He bailed us parents out of several jams and helped our team function. We are all sad to know that he will no longer be with us to give his talents. From my family to yours we offer our sincerest condolences. Tom may not be here with you on this earth but he is watching over you. You will feel his presence and his spirit when you need it most. Larry and Barbara Richardson and family*
