“ How heavy my heart is for your family. One of my sweetest memories of what Traci did for me was when Bob and I had our first child Jordan. We were all attending Gospel Tabernacle and she surprised us with a baby shower. It was a total surprise and I felt so loved. I had few friends at that time and she was such a blessing and support to me. I will always treasure her sweet spirit and kindness to me.

Love always Traci,

To Diana Breedlove and the McCracken Family: We knew Diana and attended church with her but did not know the family. However our thoughts and prayers are with the whole family for the tragic loss of a beautiful wife and mother. No one can take away your sorrow, may the support and concern of others help give you the strength you need from day to day and may GOD be with you now and in the days ahead. God Bless all.
