“ *This is your cousin Tommy Schaffer. You are a favorite! We grew up together. You are greatly missed. I love you so much. I will never forget your visit to my house when Uncle Dave Hauck married. We had a blast. Hello to my beautiful Aunt Norma and all my cousins and family. So deeply sorry for yours and our loss. Love Tommy Schaffer*

“ *Valeri was a person who was so full of life that is what makes her death so hard to believe. Her birthday and mine were so close, one day difference, which makes it unbelievable that we could even have been friends. We all know that Leo's are not known to be able to get along because of being stubborn; however, Valeri and I got along great. We always just picked up where we left off even if it had been months since we had seen each other. She loved her family and the dogs she had/have. The ones that have passed before her will be waiting at the Rainbow Bridge for her. They will play and love each other once again. So I know that she is not alone and is in a better place. I just wish she had remained with us, the living, for a lot more years. RIP Val RIP You will be missed by all who knew and loved you.*
