“ *sure gonna miss you ole boy. You give my brother David a hug for me. He'll have some beer and might be by John Cash. You was a good man. I loved working with you at the trailer place. We bitched and joked all day and if not for you I might of jumped ship on that place. It's ain't the whiskey we'd sing. You kept me sane. Man you had a great wedding too my brother. Rest in peace.*

“ It is with heartfelt sympathy to all who loved Dave and shared in his life. Our hearts especially goes out to his dad, whom we saw with him almost daily. I can't imagine the pain and sorrow he must be going through, and pray for God's comfort for all of Dave's loved ones through such a trying time. It is a tragedy that this happened to such a caring person. We could not have asked for a better neighbor! I am glad I had the opportunity to get to know him. He will be sadly missed...

I will never forget the smile on his face and his little chuckle when he would walk over to our kitchen window and ask if the drive thru was open as we would pass something out the window to him...

May you RIP, Dave!
