“ *Brent and Suzan: I am sorry I was unable to attend Ginny's funeral. Many fond memories! It was a joy to have your mom and my mom live "next door" to each other for a short time. They had many wonderful conversations at the dinner table. Blessings to you and your family. Lisa Erwin*

“ *So sorry I am unable to make it to the funeral home! Virginia was such a special lady! I learned so much from her over the years working at BCSB, the best place ever to work, we were all like family! I also got to enjoy her when my Mom was at Crown Pointe and remember her moving there! She never saw a stranger and was always so kind! My prayers to all of her family whom she always spoke about and loved so much!*

“ During Covid Crown Pointe started a pen pal program. Virginia and I wrote to each other beginning in 2020 . This project was to help with their feelings of isolation but I gained so much from the program as well. She was an amazing and interesting woman . I looked forward to receiving her letters. I adored her .

“*My dad, Hube Smith, who is Virginia’s uncle shared that when he and his twin brother were stuck at home with the Whooping Cough, Martha and Ross took Virginia to their house and took her to the window to wave at the boys. He just shared this memory when I told him of Virginia’s passing. For him to remember that from the 30s, it really meant something. Our family sends you our deepest sympathy. You all are in our thoughts and prayers.*

*Thank you, Debbie. I was actually talking with Mom about you Hube and his brothers just last month. Helping her to recall happy family moments was part of the way I encouraged her to work through her dementia. I have some joyful sepia-tones memories of you and the twin brothers as well.*
