“ God has called a special person home to except her wings. A very special lady that loved life to the fullest. I loved her laugh, it was contagious. Never a dull moment when you were with her 😊 My special moment and gift that she gave me was when my son Mikeal passed away and she brought Ashli to say good bye to her dad. She knew this was the right thing to do, and she took control and did the right thing... This was Vivian, always trying to do what she felt was right. RIP Vivian.
