“ *Jeanie definitely made an impact on my life as a patient of mine. She had such a kind heart and a great sense of humor. I expressed to her once that it bugged me sometimes when my patients tables weren't cleaned off to put trays on them, and after that conversation it was a joke from then on. But she always made sure her table was cleaned before I came in for meals. She will deeply be missed and it was a please meeting her amazing girls. Loved every moment I got to spend time with them. :) -Bethany Gibson*

“ *I am very saddened by your loss. I have had the pleasure of getting to know her since we moved into her area and regret I had not met her earlier in life. She was a joy to talk to and tease.*

“ What a blessing she was to anyone who knew her! Jeannie & bill were customers of ours. We always had great conversations when I delivered there and her laugh was very contagious. There were many great stories she told. because she had lived it !!!
One that will always stick with me . She came to Kramer lumber and wanted a Boot Jack. Whoever she was speaking with had no idea what in the world that was. She knew I worked there and said let me talk with Tony he will know what I want. I ended up building her one . She kicked her boots off one last time here on earth . Before she entered her heavenly rewards! God Bless You Jeannie and your family

What a joy it was getting to know Jeanie, I was new to the community and the church, she always went out of her way to make me feel welcome. Had some great fellowship with Jeanie and Bill. Sending my love and condolences to your family.

My thoughts and prayers are with Elaine & Teresa & all of the family. I enjoyed getting to know Jeanie over the years. I just talked to her in November before her 91st birthday. Texted her a happy birthday but not sure she received it. She was always so pleasant to talk with & had some good memories to share. Will miss her but know it's always "see you later". Love & prayers ❤️🙏 Dee Schultz
