“ *Saddened to hear about Bart's passing. We were close friends in high school but grew apart in our adult years. I knew of his struggles and am heartened to know that he spent his last years sober helping others to do the same. He was a talented person and we had many great times together. Rest In Peace my friend.*

“ I am sad to hear this news about Bart. However being a 1982 NCHS grad and friend I an thrilled to learn he was 19 years sober. I had no idea about his success with the men's recovery house in Lebanon. I wish he could have helped my brother Kirk 4 years ago who passed. Denise I am so sorry for your loss.

“ My deepest condolences to the family. My son is now a recovering addict of 8 months, and spent time twice at New Life Recovery. My family and I had many conversations with Bart about Jame's recovery. Bart was always very honest and open about the chances for a full recovery and what it would take for him to make it. My entire family was sadden to hear of his passing. Our thoughts and prayers are with the family in their time of need.

*Sincerely,
