“ My prayers to all of the family on Bill's passing. We always loved he and Anndy when she worked at the bank with me. Mark did some work for them when they had their place at the lake and we have many fond memories of him. I also always enjoyed working with him in the business world when I did mortgages and he was the insurance agent for my buyers, I knew I could count on him to always do things right and what was best for his clients. Heaven sure gained a good one in Bill.
