“ *willidean; with your beautiful, singing voice, you are a terrific singing angel now, no doubt in my mind where you are, i remember when you was on life support and i read to you from your bible, and how you did when i was going to stop, so i kept reading, i knew you wanted me to. im not much of a reader out loud, but some how it brought you comfort. you have been there through a lot with me, good and bad. im going to miss so much about you, you had a heart full of joy, with alot of love. for everyone. love you girl friend.*
