There are so many happy memories from so many years. My late wife Marian and I were blessed to join Mike and Yvonda in celebrating the birth of grandchildren who have made outstanding scholastic achievements with the strong support of Cameron and Haley. We saw Mike and Yvonda enjoy travel to foreign countries. Yvonda had remarkable artistic ability. I treasure the Murat wall clock she made for me. May God bless the entire family and grant us peace.

I will miss Yvonda, we had happy memories together over our 26 years together. We remained friends and grew closer as I assisted her in getting to out of town appointments.

It was because of her that I have three wonderful grandchildren and a wonderful son.
