Yvonne was a loving wife, mother, homemaker, and grandmother. She was always a woman of faith! She lived her whole life helping her kids where the need was. She had a wonderful sense of humor and loved to laugh. She also had a spunky side! A family member said recently she sure was a firecracker and she was! She was always very thankful for the Lord watching over her and her family. She was also a huge animal lover of all kinds and could not get enough of the unconditional love they give no matter what!
